Officer Nua,

After our meeting today I went out and measured and looked at the space again. I also spoke with our event producer.

The food court and beer garden will be located in the parking lot at 6th & Mesa. The food vendors will be located closer to Mesa Street. Across the way we will place the food eating area.

The middle of the parking lot has several green shrubs that I thought made a good natural barrier from the general food area.

We propose to have an enclosed 15' x 60' beer garden on the other side. Just as a frame of reference, the total usable length of the parking lot is about 200 feet.

We may also place some extra seating area adjacent to the beer garden, if needed.

Please let me know if you have any additional questions.

Best regards,

Lorena Parker
